How was the secession of Panama, and Its recognition as a republic by America, received in Colombia? That nation asked Mexico to intercede with the United States for her, and asked us to allow her to send troops to Panama to suppress the rebellion. These requests were denied by John Hay, Secretary of State. This was followed by a long letter from Colombia calling America's attention to the treaty of 1846 and the violation of that treaty by the United States in recognizing Panama as independent. Colombia offered to submit it to The Hague. The United States declined to discuss it further. How was the secession of Panama, and

HEALER HELD FOR TRIAL

The result? The Colombians talked it over with every Spanish-speaking race they knew. There followed the election of Obaldia, in which troops were installed by United States officials, and Obaldia's opponent withdrew. This added to isthmian distrust. These and other incidents caused the Central Americans to ask why, under the Monroe doctrine, should the United States always find it necessary to select rulers for these independent republics?

The speaker recalled the threatened common than the commo The speaker recalled the threatened

SAYS LATINS HATE US

We Make Small Republics Enemies, Says Judge Collins.

HITS STATE DEPARTMENT

"Raise Arm to Strike Without Courage to Give Blow"—Interference in Panama.

Chicago, Feb. 11.—Judge Lorin C. Collins, for more than five years an associate justice of the Canal Zone Supreme Court, criticised the State Department of the United States to day, saying it was pursuing a policy in connection with Central American republics which was winning for itself the hatred of all Spanish-speaking nations, was being made the victim of a malign influence working against us all through Spanish speaking against us all through Spanish there is a steady and malign influence working against us all through Spanish speaking American countries?

The most deplorable action of the United States to that gave color to gossip and criticism against us, occurred last summer in Panama. On the death of President Obaldia Dr. Mendazo became acting President of the republic any person that working and that should he be elected they would not permit him to hold the office.

The next move of Washington was to inform the Congressmen that they should elect Samuel Lewis President. The pressure from Washington was so strong that one day at 1:30 o'clock in the morning it was agreed that at that day's session Lewis should be elected. At 10 o'clock a cable came from Beverly, Mass. disclaiming any intention on the part of the United States to day, saying it was pursuing a policy in connection with Central American republics which was winning for itself the hatred of all Spanish-speaking nations, was being made the victim of a malign influ
